An ITW Decorating Company

---

November 28, 2006

Dear Valued Imtran Customer,

Please be advised that the following products;

**IM-100, IM-200, IM-300, IM-400, IM-500, IM-600, IM-700 Pad Printing Inks  
IM Thinners and Ink Additives**

Meet all requirements of Directives 2002/95/EC (RoHS) and 2002/96/EC (WEEE) of the European Union, on the use of certain hazardous substances in electrical and electronic equipment. The heavy metals lead, cadmium, mercury, hexavalent chromium and the substances polybrominated biphenyls (PBB) and polybrominated diphenyl ethers (PBDE) are not ingredients in the product formulations.

Additionally, according to the information provided by the suppliers of the constituent components, these substances are not part of the raw material nor are they used during the manufacturing process.

Please visit our web site for the latest news and updated product information at [www.itwimtran.com](http://www.itwimtran.com).

Sincerely,

Chris Sobaszek  
Business Unit Manager – ITW Imtran
